Hi Karen-

I haven't heard anything about my Superior Court case that is suppose to be going today ot tomorrow in Springfield, so I'm fairly sure that I will not be needed there today and will be available if you need me in Chicopee. Normally we are on call for Chicopee cases, and you can reach me at the lab (413-545-2607) or on my cell ([REDACTED]). You can also call me you want me there earlier (at a set time) if you would rather not have me on call. Thanks.

Hi Sonja,

Michael Lopez is still on for trial Monday as far as I know -- Karen McCarthy is handling all the 11/28 trials, I'm cc'ing her so she can let you know if something has changed (she'll be in on Friday).

I'm guessing Mr. 6 bags of pot has a bad, bad record!

Have a nice holiday,

Cary

Hi Cary-

I'm just checking in for the [REDACTED] case scheduled for trial on Monday, November 28, 2011 and am curious if it is still on for trial. Also, an ADA for Superior Court in Springfield has asked about my availability for both the 28th and 29th, and I'll inform her about your case. If the Superior Court case doesn't get started until the 28th, I'm guessing I won't be needed until the 29th, but who really knows (heck, who would have thought I'd have Superior Court for 6 little bags of marijuana either?).
